

RES-Form-048

JMJ Marist Brothers  
**NOTRE DAME OF MARBEL UNIVERSITY**  
 City of Koronadal, South Cotabato

### SELF and PEER EVALUATION

#### Type of Evaluation Phase:

- ☐ Research Proposal Phase (Research – I)  
☐ Final Phase (Research – II)

#### Instruction:

Below are indicators of the extent of your participation as a group in developing your research paper. In a scale of 1 – 4, kindly write objectively the number of the scale below the name of a group member, which represents his/her extent of participation on a specific area.

| Legend : | Scale | Description |
|----------|-------|-------------|
|          | 4     | Always      |
|          | 3     | Sometimes   |
|          | 2     | Rarely      |
|          | 1     | Never       |

| AREA                                                                          | SELF | Name of GROUP MEMBERS |  |  |  |
|-------------------------------------------------------------------------------|------|-----------------------|--|--|--|
|                                                                               |      |                       |  |  |  |
| 1. Participated willingly in all activities of the group.                     |      |                       |  |  |  |
| 2. Took extra effort to contribute for the development of the research paper. |      |                       |  |  |  |
| 3. Did best in doing the assigned research tasks.                             |      |                       |  |  |  |
| 4. Was consistent and punctual in attending group activities/meetings.        |      |                       |  |  |  |
| 5. Contributed bright ideas in order to improve the research paper.           |      |                       |  |  |  |
| 6. Did the assigned tasks on or before the deadline.                          |      |                       |  |  |  |
| 7. Took the initiative to perform some unaccomplished parts of the research.  |      |                       |  |  |  |
| 8. Encouraged other members of the group to participate actively.             |      |                       |  |  |  |
| 9. Showed favorable attitude towards other members of the group.              |      |                       |  |  |  |
| 10. Accepted/listened to the opinions of other members of the group.          |      |                       |  |  |  |
| <b>TOTAL</b>                                                                  |      |                       |  |  |  |
